

## **PERIOD OF ELIGIBILITY**

**Effective January, 2010**

### **A**

**1ST DAY OF PIE:**

Date of appointment to eligible status or date of family member becomes eligible.

This is also the effective date of coverage (retroactive coverage date if enrollment form received by Benefits/Accounting office by date PIE ends {column B}). This date must comply with the Eligibility Requirements stated in the Group Insurance Regulations.

### **B**

**DATE PIE ENDS FOR FORM ENROLLMENT:**

31 days from the first date of eligibility or the last normal business day for the Benefits/Accounting office, whichever occurs earlier.

If this date falls on a University holiday or weekend, the last preceding workday will apply. For example, November 24 and 25 are designated holidays for Thanksgiving. A 31-day period which would have ended on November 24 or 25 would be shortened to November 23.

- **For employees using At Your Service Online to enroll, PIE ends at midnight of the 31<sup>st</sup> day.**

**•UNIVERSITY HOLIDAYS ARE NOT IDENTIFIED**

Campus-wide shutdowns (i.e., Christmas) should be excluded from the 31-day count.

## **PERIOD OF ELIGIBILITY**

**Effective October, 2010**

### **A**

**1ST DAY OF PIE:**

Date of appointment to eligible status or date of family member becomes eligible.

This is also the effective date of coverage (retroactive coverage date if enrollment form received by Benefits/Accounting office by date PIE ends {column B}). This date must comply with the Eligibility Requirements stated in the Group Insurance Regulations.

### **B**

**DATE PIE ENDS FOR FORM ENROLLMENT:**

31 days from the first date of eligibility or the last normal business day for the Benefits/Accounting office, whichever occurs earlier.

If this date falls on a University holiday or weekend, the last preceding workday will apply. For example, November 24 and 25 are designated holidays for Thanksgiving. A 31-day period which would have ended on November 24 or 25 would be shortened to November 23.

- **For employees using At Your Service Online to enroll, PIE ends at midnight of the 31<sup>st</sup> day.**

**•UNIVERSITY HOLIDAYS ARE NOT IDENTIFIED**

Campus-wide shutdowns (i.e., Christmas) should be excluded from the 31-day count.
