_______ in the ______ department has a need for Catastrophic Leave Donation.

(* Employee must sign consent to release name on the Catastrophic Leave Request Form.)

This situation has exhausted all of the employee’s accrued vacation leave and sick leave. As defined in the UCI Catastrophic Leave Donation Program (CLDP) procedures, eligible career employees may donate accrued vacation leave hours to assist their colleagues during their need for Catastrophic Leave. Should you elect to support the employee by donating vacation leave credit hours, please complete the attached UCI catastrophic leave donation program donors form. Please submit the donor’s form to your supervisor, manager (or designee) for required approval. After departmental approval has been completed, please note the following:

Forward the CLDP Donor’s form to Human Resources, Attn: Catastrophic Leave Program, 111 Theory, Suite 200, Zot code 4600 or fax to (949) 824-9299.

1. Donations must be of accrued vacation only;

2. In compliance with CLDP criteria, please donate vacation in whole hour increments with a minimum donation of eight (8) hours and an annual maximum donation of no more than 50% of your (the Donor's) vacation balance at the time of the transfer;

3. Once leave hours are transferred to the recipient and entered into the Payroll/ Personnel System, donations are irrevocable;

4. Contributions can be made to employees at a higher or lower pay level because donations are transferred on an hour-for-hour basis (not on a dollar-for-dollar basis);

5. The Payroll office will transfer the donated time, therefore do not make any modifications to your time card.

6. Catastrophic Leave donations are not tax deductible for the donor.

All donations are to be kept confidential.

Your willingness to help a colleague during a difficult period is sincerely appreciated.
