

12 MONTHS OF SAFETY & WELLNESS

SEPTEMBER: EMERGENCY PREPAREDNESS

We're all vulnerable to damage & loss due to disasters such as earthquakes, fires, floods & landslides:

- There is a 97% chance of a magnitude 6.7 earthquake or larger occurring in Southern CA in the next 30 years
- In the U.S. in 2007, there were over 3400 deaths and \$14.6 billion in property damage due to fires
- The average annual U.S. flood losses in the past 10 years were more than \$2.4 billion

Have a Kit – Make a Plan – Be Informed:

- Assemble office, home & car [emergency supply kits](#)
- [Plan](#) where to go if you evacuate & where to meet your family
- Maintain list of important phone #s & an out-of-area contact
- Join the UCI [CSAR Team](#)
- SOS Reps: post this flyer & complete Emergency Preparedness section of [Hazard Assessment & Corrections Tool](#)
